## PROFESSIONAL SUMMARY

Aspiring Data Analyst with hands-on experience in Excel, SQL, Power BI, and Python. Skilled in data cleaning, analysis, visualization, and dashboard development using real-world datasets. Passionate about transforming raw data into meaningful insights to support business decision-making.

## PROJECTS

### Chandigarh Traffic Analysis Dashboard | Microsoft Excel

- Built an interactive dashboard using Pivot Tables, Charts, KPIs, Slicers, and Timeline.
- Analyzed traffic density, vehicle count, accident trends, and peak-hour traffic patterns.
- Generated actionable insights to support traffic planning and road safety.

### E-Commerce Sales Dashboard | Python

- Performed data cleaning and analysis using Pandas and NumPy.
- Created business visualizations using Matplotlib to analyze sales, profit, and category performance.
- Developed KPI metrics and trend analysis to support business decisions

### Sales Dashboard | Power BI

- Developed an interactive Power BI Sales Dashboard using KPIs, charts, slicers, and filters to monitor business performance.
- Analyzed monthly, regional, and category-wise sales trends to identify growth opportunities and key business insights.
- Designed dynamic visual reports and dashboards to support data-driven decision-making and improve sales performance.

## EXPERIENCE

### Web Designer

Crest Technosoft, Mohali

December 2024 – March 2025

- Developed responsive web applications using Angular, HTML, CSS, JavaScript, and Bootstrap.
- Used Git and GitHub for version control and team collaboration.
- Optimized web pages for performance across desktop, tablet, and mobile devices

## CERTIFICATIONS

- Data Analytics Training – Theta Academy (2026)
- Web Designer Training – Crest Technosoft (2024)
